

## **YOUNG GROUP TO DRIVE FORWARD PROPERTY SEARCH OFFER**

Young Group, the Property Portfolio Managers, have appointed Martin Hoile to head up Property Search, part of Young Property, a newly launched bespoke property finding service.

Martin joins from Alexander Associates Group, where in 2001 he helped to establish their property search offering.

At Young Group, Martin will be responsible for securing residential and commercial property investment opportunities and carrying out property searches in the prime areas of London and the South East. This service is offered for business and residential property purchases starting at £500k and for rentals of £1k per week.

Martin has extensive experience in acting for both private and corporate clients wanting to purchase or rent either a home or business property. Martin joins the firm with substantial corporate experience, having started his career at Lazard Brothers, before becoming one of the founding Partners at The J. Rothschild Partnership, (now The St. James's Place Partnership).

### **About Property Search**

Launched in March 2006, Property Search is designed to take away the hassle of dealing with estate agents by giving buyers a single point of contact, saving time, money and stress. The service forms part of Young Property.

All divisions within Young Group are complimentary, and supporting Young Property Search are Young Finance, Young Furnishing and Young Lettings providing a seamless end-to-end, hassle free property service.

### **About Young Group**

Young Group are Property Portfolio Managers, specialising in advising private investors on off-plan residential property in London. In 2005, Young Group clients invested over £30m in developments across London.
